CLOSER LOOK: Mom won first pair on turf and this is half-bro to Getaway Car, who won the \$400K Sunland Derby this year after he was 4th in last year's BC Juvenile; steady effort first out and the winner returned at this track and trip to boost his Beyer by 18 points; inside draw invites traffic trouble though maybe he's quick enough to dodge it.

\$300K purchase is by sought-after sire who gets 18% winners from firsters; dam and 2nd dam were unraced; kin were exceptional in earliest turf experiences with a couple banking \$800K and \$500K; barn doesn't fire with too many firsters; minimal work-tab.

Been knocking on the door with a few good efforts to start her career; that 3rd last time was nice since it was her first start in 10 months, meaning she's eligible to move forward; of course, she likely must move forward vs. these but there's talent her e, she's got a race behind her after the layoff, has worked well since and lures Irad, all positives; kin to 4 winners including Trophy Chaser (24-4-5-4, \$281K, 1 G3 SW, 3 SPs including 1 G2).

Sire gets over 16% debut winners; sire was 11-7-1-1 for \$944K, 5 SWs including 1 G1, 3 G2s, 2 G1 SPs; dam's only foal is Beach Walkn (15-2-3-2, \$220K, 1 G3 SP); dam was 18-2-3-0 for \$170K, 1 SW, 2 SPs; plenty of good works hint at talent, though the gap from June 12 to Sept. 16 in those works is cause for pause. -Michael Hammersly

CLOSER LOOK: So was that last dull run a function of the class level (a G2) or trying the undulating non-traditional KD course for the first time?; maybe a bit of each; while the latter doesn't apply she's still facing some tough gals, though it's encouraging a sharp guy like Walsh feels good enough about her to keep her at this level; certainly a return to her prior form can put her in the mix, though these are still tougher than she's used to facing.

Been knocking on the door all year; that includes a number of SPs including a G3; comes off a tough beat at KD Sept. 10 and the gal who edged her (In Our Time) is lined up against her again; only prior local try wasn't much but that came routing (she's b etter sprinting) and a long time ago (she's certainly better now than she was then); still, could it be she's always going to bump into someone a smidge too tough at this level?

Yet to beat winners, something all her foes here have done; in her defense, she's run just the 3 times so there's ample room for growth, and that rallying 2nd at RP last time out was not only her first try on turf it was her first start in almost 9 months; in other words, there's ample room for growth, though that's certainly necessary if she's to have a say.

Can't knock a gal who's won 4 of her last 6; OK, so maybe there is a way - that all came on dirt and her only turf try saw her duel and falter in a stakes at ELP a couple months ago; nice to see they give her a shot at this level though not only is she facing tougher than she's used to facing she's doing so on footing you can't yet say is her specialty, while she faces a bunch who do consider this (turf sprinting) their forte.

After plenty of time off she came back firing this spring with a big allowance win here April 19 and game G2 SW at SAR June 5; 2 subsequent starts, a G3 and G2, weren't as good but they weren't terrible either, particularly that G2 last time out at KD wh ich came vs. boys; back in with fillies and as noted she's handled this course well before.

Speed to be in it from the start; bulk of her work has come routing but her last start at KD Sept. 10 was sprint and she led all the way so she's got the speed necessary to be a player at this shorter trip; it's her first start here but she's already han dled numerous courses so odds are she'll handle this place.

Not only figures in the thick of it from the start; 4 straight wins (all sprints, the last 3 on turf) show she's got game for a spot like this; up in class, yes, but she seems to be getting better and that BAQ SW Sept. 13 was her first go in 3 months so she's eligible to improve further.

TRAINER: TurfSprints(41 .12 \$1.14) 31-60Days(275 .15 \$1.30) WonLastStart(120 .18 \$1.73) Turf(163 .15 \$1.44) Sprint(359 .18 \$1.33) GrdStk(8 .12 \$3.73)

Shown turf sprinting is her forte as she's won 3 of her 6 turf tries, all sprints; for the most part those came vs. lesser than these but it's not as if those were patsies so she's got ability; tactical speed can lead to a nice stalking trip and while it 's her first time here she's handled GP dirt, GP turf, CD turf and CNL turf so odds are she'll handle this place.

Been a pro for some time, hey, you don't win 10 of 18 by accident; among those wins was her victory in this race last year so she's proven on this course at this trip at this level; and if anything she's as good now as then, maybe even better; has enough tactical speed to be forwardly placed while not being a need-the-lead type; as noted, she won this last year and her only other local try was a SW as well so she likes it here. -Michael Hammersly
